

# YEC 2011 ACCOMODATIONS

We recognize the limitations many churches and individuals face when it comes to accommodations for YEC. We are committed to keeping YEC as low-cost as possible. Therefore, we have secured several hotels with discounts rates for YEC. All of the hotels listed below have blocks of rooms reserved for YEC for Friday, January 21, 2011.

You are responsible for making reservations at the hotel of your choice. Just call the number provided and be sure to use the group name "WVCSB" or the provided group number. The hotels should have our tax exemption number on file and should not charge you state sales tax (though you may still have to pay local tax). You may want to provide a copy of your church's tax exemption number as well. The prices listed reflect the 6% local tax. Also, please note, that in order to take advantage of the YEC discounted rate, you must make your reservations before each hotel's cut-off date as given below. The hotels have different cut-off dates according to their own contracts, so please note the cut-off date of the hotel you choose.
